Volume 53 No. 3

## Pastor's Column...

**October 5**, we will be celebrating World Communion Day with four different breads to represent the many Christians from around the world who will be hosting communion on that day. We are connected with all Christians by our sacraments of baptism and communion. Come to the table to join our brothers and sisters as we remember our resurrected Lord.

**Congregational Meeting.** The session has called a congregational meeting following worship. We hope to elect the pastor nominating committee (PNC) and new ruling elders to replace those whose term ends in December. Plan to join us for this meeting.

Peacemaking  
Offering

## October 5 (World Communion): *Peacemaking Offering.*

There are many factors in the world that divide us. They exist among the nations, in our communities, throughout congregations, in the midst of households across the globe and within ourselves. Through these dividers, we as God's children, become broken. Paul's letter to the Ephesians describes peace as a spiritual bonding agent, holding us together through the love of Christ. It restores our fractured pieces to a whole, creating a connection between us. Through this, we experience the unity of the spirit in the bond of peace.

The PEACEMAKING OFFERING funds the Presbyterian Peacemaking Program, enabling us to bring in International Peacemakers, hold conferences, and advocate for active nonviolent solutions to conflict. This offering will be received on October 5. Twenty-five percent of the offering will be kept to be used in the community. The community organization receiving the 25 % is Broadway Christian Parish. The congregation will hear more about the mission of this church during minutes for mission.

Please participate in this offering and help make the Season of Peace a time to renew your commitment and reaffirm your calling to peacemaking. Together, we can transform cultures of violence into communities of peace.

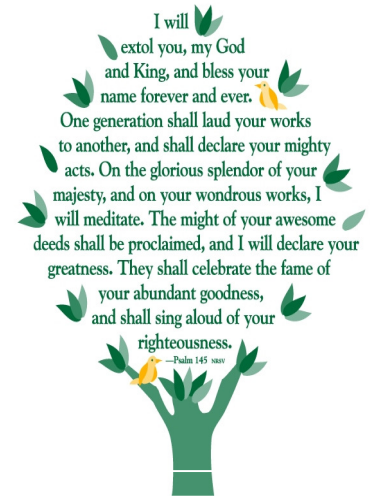

## Cisterns for Xpujil

First Presbyterian Church of Mishawaka has been a partner with Todd Luke in Xpujil, Mexico since 2002 when a team of five, Pastor Ron Miller, Anna Bowers, Katie Rice, Jennifer Dentino and Mary Ann Dentino ventured on a mission trip to Xpujil. Todd was the grandson of long time members of this church, Ruth and Joe Starke. Ruth filled us in on Todd's mission in Xpujil which caught our attention. We left on our adventure on spring break. While there, the ladies of the area were taught how to sew using patterns and electric sewing machines. Painting and pouring of cement was also done. We traveled to Castilla Brito where a Bible School was conducted for about 60 youngsters. What a joy this was to see all of the beautiful faces of these children. Katie Rice put a major effort into this part of the trip as a thirteen year old.

The next year, 2003, a little different group ventured to Xpujil. It consisted of Pastor Ron Miller, Dave Sulak, Chris Sulak, Jeff Mix, Betty Conner and Mary Ann Dentino. The women still did the sewing but the men took off to Castilla Brito to help build Cisterns. This was a very labor intensive job but very beneficial for these people. The cisterns are used to catch the rain water during the rainy season for use during the dry season. Before the cisterns, the local people traveled to a local water hole, which looked like a mud hole to us, for their water.

Each year since 2003, we have been sending money to help support this worthwhile project in Xpujil. This is what part of the Mission Tea fundraiser money will support. Please come and help provide clean water for these folks in Mexico.

***Fall Stewardship Campaign:***  
*I will extol you, my God and King,*  
*and bless Your name for ever and ever.*  
*One generation shall laud Your works to another,*  
*and shall declare Your mighty acts.*  
 Psalm 145

The Stewardship Committee, chaired by Stan May, will focus on "Generations of Generosity" in our fall stewardship campaign. The campaign will kick-off on Sunday, October 19, and culminate on Consecration Sunday, November 9. Watch for further details.

Treasurer's notes:

Although we've seen our pledge expectations shrink by 40% over the last decade, not all of the church finance news is bad. The session made some difficult decisions about the budget for 2014, and the cuts brought about a much smaller payroll. Those changes took full effect at the end of February, and in the six months since, four have been "in the black." The net over those six months is about \$1,300 on the positive side. By comparison, January 2014 was a net loss of over \$11,000 using the previous payroll budget.

Largely because of that January net loss, our current assets (the checking and savings accounts, essentially) have decreased by about \$16,500 since the beginning of the year. However, because our investments have performed well, our total assets (including reserve funds held long term) are actually up by about \$7000 over the same period.

Now working nearly in a balanced-budget situation, FPC has very close to a half-million dollars in total financial assets. God has provided for us in 2014 through the contributions of stewards from many generations, but recently the current generation is managing the bills. Growth in membership and pledging would certainly help!

Over these next few weeks, we'll make difficult decisions about our future. Options vary between these oversimplified extremes; maintaining a balanced or near-balanced but narrow budget, or going back into a deficit mode with a larger staff and larger program. This decision won't be made by financial wizards, but by all who have a stake in our future. Please be prayerful about our future and your role!

### **Presbyterian Weekday Nursery School**

October is a fun month. We travel a few times, visiting a fire station and learning to stop, drop, cover your face, and roll. Later in the month is a trip to Matthys Farm for apples, pumpkins, hay rides and other outdoor fun. We will discuss all month the many changes happening and finish the month with a Halloween party.

### News from Presbyterian Woman

October will be a busy month with several activities being planned.

Bible Study: The Bible Study Reconciling Paul, A Contemporary Study of 2 Corinthians started in September. The author, Elizabeth Hinson-Hasty, asks us to look at the issues the Christians were facing in Corinth and see the similarity to issues we are facing today. This month's lesson is "Paul in the Context of Ancient Corinth". Lesson two presents a basic outline of 2 Corinthians and provides historical background to assist in our understanding of Paul's preaching. Study books are located on the CE desk and the cost is \$8.00. Circles meet the third week and all women are considered PRESBYTERIAN WOMEN and invited to attend a Circle meeting. PW Circles meet every third week of the month, locations will vary, and we have three circles to choose from.

## NEWS FROM THE MAC

**MAC Mishawaka Alliance of Care**

Is there a secret in our community or just a lack of communication among us?

The fact is there ARE homeless folks in Mishawaka. The social agencies who deal with people in need oftentimes become aware of their situation when they come to the Pantry for food. Volunteers are able, sometimes, to direct these folks to a place where they can stay, at least temporarily.

An overture to deal with the homeless issue is now being studied; the first item, finding a suitable, safe location and a director versed in the skills required. Round-the-clock volunteers will be needed to assist in operating the shelter. Sound like a daunting task? Of course it is and that is why it will take time for due diligence prior to making any decision to proceed. MAC churches need to be aware and in prayer about what is involved.

During the meeting of the Mishawaka Alliance of Care, the conversation turned to the manner in which the Food Pantry, housed at the Albright Methodist Church, works with clients. In order to qualify for government commodities, certain rules must be followed. Names and ages of clients are not required, only the number of people living in the household. This is sometimes misleading in keeping records since the make-up of a family can mean a difference in the kinds and quantities of available food for distribution.

*Report from Carol Minix, Food Pantry Director:*

*August figures, 342 families (1168 individuals), 394 children; 124 over 60 (number increasing) clients: 54 new families*

New freezer delivered and working (thanks to those who helped with cost); Martin's Supermarket, supporter of Pantry charging \$20 per case for some items; Purple Porch a new sponsor, donating fresh produce; Some new volunteers working. Seeking someone to come in between pantry days to assist in cleanup, ie. wash down the grocery carts and some shelves. Carol is looking for a "back-up" who would be able to attend meetings with People Gotta Eat & United Way in her absence.

**NEW VOLUNTEERS ARE ALWAYS NEEDED ANY TIME**

Report from Warren Kirkwood on the pack-a-backpack event. School supplies were distributed to several elementary schools. First Presbyterian partners with Battell School in this project. THANKS TO ALL WHO DONATED BACK-PACKS AND SUPPLIES. Plans for 2015 are already being discussed, working with the school social workers prior to the event. There were 40 volunteers from MAC churches; therefore, 580 pounds of school supplies were distributed throughout the Mishawaka schools.

The school social workers were given clothing vouchers provided by Christ Child Society to help clothe children prior to the beginning of the school year

Marilyn Waumans spoke of the Mutual Bank program, Better Life Winners. Marilyn has been nominated for this honor. The winner will be able to choose where the funds can be directed to the non-profit of their choice. Fuel certificates and 34 Transpo bus passes were given out, due to the contributions received for this project.

Sandy Pontius, from SJRMC, spoke to the recent decision by the CVS pharmacy to remove all tobacco related products from the shelves. The high schools and middle schools in the area will be asked to survey their students (a blind survey) regarding the use of tobacco in their lives.

The hospital will be offering a program "1800, Quit now".

**Prayer Group**

We meet to unite in prayer, our meetings vary in locations and last approximately one hour. Requests for prayers can be made to Janet Freeman or Betty Favorite.

Help Celebrate the Duryea's Marriage!

Worship and Music and Chancel Choir will be hosting a "Wedding Gift Card" shower for Michael and Shaina on Oct. 12 during Fellowship Time. They were married in Kansas on August 9<sup>th</sup> and we want to recognize their marriage by encouraging members to give gift cards from various venues so that they may complete their "setting up housekeeping" needs. Any gift card, any amount with best wishes will be great. Plan to attend, offer your best wishes, enjoy a piece of cake and a cup of punch.
